

Nia Meets Aelira

Niki Fables • Ages 7-12 • Bonus Story

From the top of her favorite stone wall, Nia watched the sky every evening, wondering what waited beyond Willowbrook. One quiet dusk, the sky itself seemed to answer: a rainbow-feathered guardian named Aelira landed before her, wings wide as the horizon.

"I can show you the world from above," Aelira said, "but only if you're brave enough to say yes."

Nia's heart pounded. Would she stay safe on her wall, or take the biggest leap of her life?
